Our Meals

Our Meals are cooked Fresh and then 'Blast Chilled' – NOT FROZEN, this ensures that our meals will keep for up to 4 days if kept in your refrigerator.

For best results, we recommend re-heating your meal in a normal domestic oven, however your meal can just as easily be 'micro-waved'.

Please refrigerate your meal immediately upon delivery.

If you are not going to consume your meal within the use by date, we suggest you freeze your meal for consumption within three months. If frozen, De-frost your meal in your refrigerator before re-heating.
